About us

Evaccess provide the most comprehensive range of evacuation chairs and stairclimbers to improve safety when getting people in and out of buildings. Important - people have different needs and therefore require different choices.

Evaccess have formed a partnership with Escape Mobility Company Ltd, since 2019. We are a UK distributor and we work on their behalf to complete service and training jobs across the whole of the UK and Ireland. Evaccess are also responsible for completing Site Survey's for Escape Mobility, who are based in the Netherlands, but work with many other countries internationally.
